EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Note that with respect to the canceled claims 1-22, these claims would have been subject to a restriction requirement as being drawn to a separate invention, and therefore an agreement was reached to cancel claims 1-22 to place this case in condition for allowance. Acknowledgment is made of the applicant's right to file divisional application(s) with regard to the subject matter of the canceled claims.

Authorization for this examiner's amendment was given in a telephone interview with Bill English on 06/11/2007.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 1-22 nonelected without traverse. Accordingly, claims 1-22 have been canceled.

1. The following is an examiner's statement of reasons for allowance: None of the prior art of record disclose or suggest the method for sealing a puncture from patient's skin to a body lumen including the steps of connecting the tensioner's saddle to the proximal end of the occlusion member and upon releasing the saddle which automatically causes the saddle to move away from the foot of the tensioner, whereby applying proximal force on the occlusion member to hold the expandable member against a wall of the body lumen and substantially seal the puncture from the body

lumen. Note: Wood et al. (U.S. 6,117,145) and Nash et al (U.S. 6,090,130) disclose a hemostatic puncture closure at vascular sites. However, they both do not teach the method steps as recited in claim 23.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
